October 28, 2018

Panther Families,

I hope everyone enjoyed the wonderful weather this weekend. It was so nice to see the sun!

I want to say another big thank you to everyone who came out and supported our Fall Carnival last weekend. It was a huge success. I know it takes a lot of organization and time to create such a beautiful event, and I'm very appreciative. A special thank you to Kelly Aho and Elizabeth Clough our fearless carnival leaders.

I also want to thank all the families who donated water and for your support last week with the water boil. The water boil notice has officially been lifted. We will run water through the lines and prepare all of our water fountains first thing Monday morning.

This week we will have our first No Place for Hate activity: Mix It Up at Lunch. This is a special lunch for all students that allow them to sit at different tables and make new friends. I can't wait to see the excitement in the cafeteria.

On Friday, we will host our rescheduled Family Picnic Night. It will be on the back BW lawn from 5:00-6:30. We hope you can make it out and enjoy the weather and live music. Please bring your family picnic, blanket or chairs.

I wish everyone a wonderful week!

Your Very Proud Principal,

Kris Muehling
